

LoCap Energy

Energy Storage & Efficiency Solutions

Presenters:
Jeff Dye & Dexter Jacobs

SMU Geothermal Lab

Localized Energy Industry

Generation

Storage

Efficiency

Energy Security

Mission

What is Peak Shaving?

Demand vs.
Consumption Energy Bill

Monitoring Usage

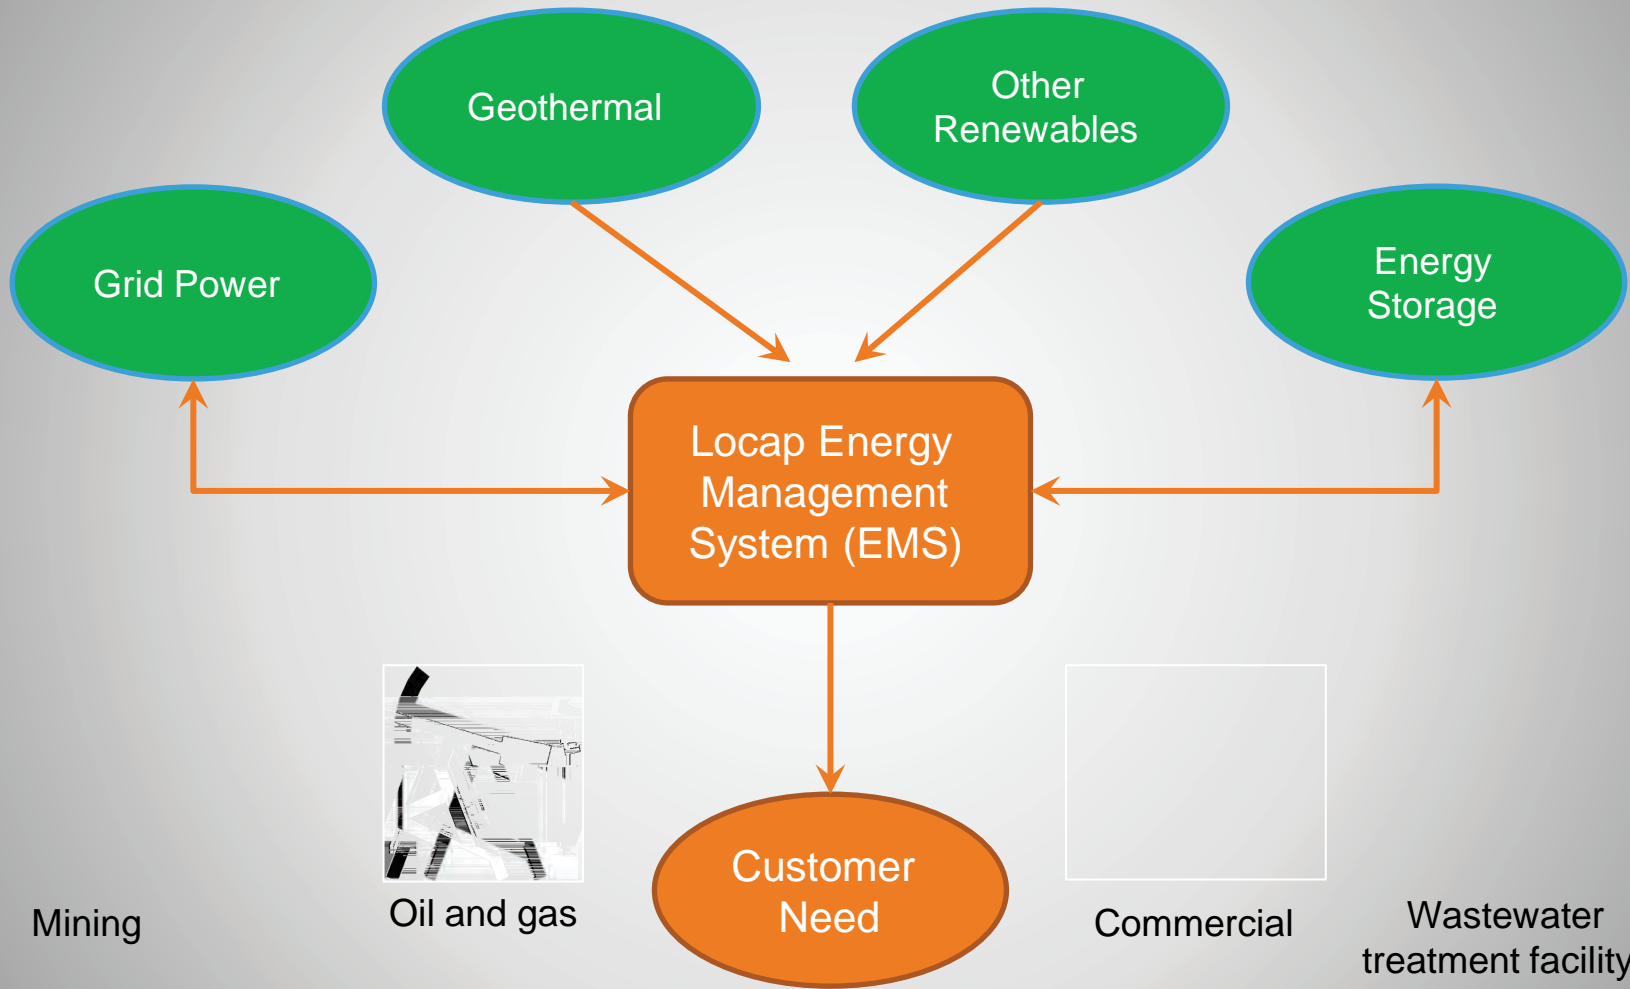

Predict Demand

- Load Shedding
 - Redistribute & Prioritize Load
 - Schedule
- On-site Generation
 - Additional Energy Available

Energy Management Overview

Energy Storage Overview

Vision

End to End Solutions

LoCap Peak Shaving System

- TX Injection Well Project

Current Endeavors
